MESSAGE FROM MISS HURFORD

The children celebrated the annual Harvest festival on Thursday in the church. There were beautiful harvest poems and prayers read by children throughout the school, singing, super wiggling from foundation and cooking from Rev Glyn and Steph (ask your child)! Thank you to all that were able to attend, the children love to see you and share in our community events. As we come to the end of this half term I would like to thank you all for your continued support and patience. This half term we have welcomed many new staff who have now established themselves and are becoming an integral part of securing the progress of the school. We have implemented many new strategies, including 'healthy minds' and 'learning powers'. Next term we will see the implementation of a new interactive guided reading approach, which I'm sure your children will love. Please keep looking at our school website, it is continuously improving. The end goal is for the website to be a resources for parents/carers and families to find out all about us and what we get up to in school.

Happy half term,

Miss Hurford

When we come back
after half term we
will be on week 1 on
the menu.

The children have been asked if they would like to decorate the Pannier market with hand made poppies and turn the hall into a place of remembrance and reflection for the fallen of all conflicts past and present
To participate all that is needed is for the children / students to draw make and colour in a poppy cut it out and put their name on the back.

CLASS NEWS

First Steps and Darwin

We have had an amazing 2 weeks learning about Harvest and Autumn. We read the story of "The giant roll away pumpkin!" Pumpkin printing, seed counting and harvesting of vegetables followed, culminating in us making some delicious pumpkin soup. A huge well done to the Foundation children for making such a fantastic start to school. I hope you all enjoy a well deserved rest over half term.

Seacole

We have had a brilliant end to our half-term. We have been on an autumnal walk around our entire school grounds; you wouldn't believe the materials we found! We've used these to create fantastic acrostic poetry with lots of description. Harvest time has helped us with our maths, as we have been using carrots and peas to do some tricky subtraction of one and two digit numbers. It has also been a lovely time to reflect on what we are thankful for and expressing this through written prayer and poetry. Well done Seacole, have a great rest over half-term! Don't forget to check Tapestry for photos from this week, and to add pictures of your adventures and homework while off school!

Lewis

In Lewis Class we been working on our learning powers so that we can be fantastic learners all of the time!

The children have just finished writing their wonderful postcards from Sunny the Meerkat and we have enjoyed finding out about all of his adventures. In our maths learning we have been concentrating on using the column method to subtract numbers, sometimes it gets a bit tricky but in Lewis Class we are brilliant resilient tortoises!! We have also had a great time learning all about the human body, including what happens to food once we have eaten it...!

Great work Lewis Class, have a fun-filled half-term and a well deserved rest.

Drake

Drake Class have had a really productive end to the half term - putting the finishing touches to some amazing comic strips and explanation texts linked to the human body. We had lots of fun doing a pretty disgusting science simulation whilst learning about the digestive system (see the website for photos!) In maths we have finished working on addition and subtract and we will be moving onto multiplication and division after half term.

Don't forget that all homework tasks will now be put on the website - rather than handed out on paper - so keep a look out each Monday.
