MESSAGE FROM MISS HURFORD

What a week!

I've been lucky enough to spend a week with the majority of the Year 6s at Grenville House in Brixham. The weather has been incredible and has made the experience even more amazing. It's been wonderful to see the determination in individuals to push themselves beyond their limits, through activities such as abseiling, high ropes, canoeing and raft building. The skills the children have developed this week will stay with them for a very long time. I have felt a huge amount of pride in the behaviour of the children. Both staff at Grenville and Woodwater Academy commented on many occasions how polite and courteous our children are. They were a credit to the school. Thank you to Mr Snow for his resilience this week, and surviving a week with a large group of tired, women and children!

Have a great weekend, enjoy the sunshine

Miss Hurford
