

# WEDNESDAY 3<sup>RD</sup> MARCH : PREPOSITIONS

Using the image on the next slide, write sentences to describe the scene/landscape, which include prepositions.

Remember, prepositions tell you where something is.

You might like to start by writing down lots of prepositions and then seeing which ones you could include in your description. Or, use some from the word bank to start you off.

## WORD BANK

in the distance

beyond

beside

towering above

over

under

in the sky

below the mist
