

*Courage, Joy, Kindness, Perseverance, Responsibility*  
*Newsletter 5<sup>th</sup> July 2019*

It has been a brilliant sport focused fortnight - thank you so much for all your support throughout. The children have been absolutely fantastic and there has been some wonderful examples of perseverance in action shown from our little athletes. National School Sport Week last week and Sports Day on Tuesday were great to be a part of and I want to thank you for supporting our children in all their events. We have a number of children representing the school today in a trust wide cricket event and our Goblin Kit Car will be raced by our team on Monday, so we still have a lot of excitement ahead of us.

A huge thank you to the PTA who led the Duathlons in all key stages. Through your sponsorship, our children raised £895.75 which will go towards the development of the outdoor space! Absolutely incredible!

#### **Transition**

The children had a very positive transition day yesterday (as well as Wednesday for Year 6). There will be another transition morning next Thursday. We will support your child's transition to their new class as well as we can but some children still find this an anxious time. Please find attached a handout which includes top tips on how best to support your child through transitions and change.

#### **St Agnes Summer Show**

The St Agnes Summer Show will take place in school on Saturday 20<sup>th</sup> July 1:30pm until 4:30pm, £1 entry. External summer show entry forms are available at The Veg Shop and Churchtown Fruit and Veg. The entry forms should be submitted no later than Wednesday 17<sup>th</sup> July to the above places. External summer show entries should be staged between 6:30pm and 7:30pm on the Friday 19<sup>th</sup> July or between 8:30am and 10:00am on the morning of Saturday 20<sup>th</sup> July. Please do not bring them into school before these times. In addition to any entries completed at home, all children will create 2 pieces of art in school (a 2D piece and a 3D piece) to be displayed at the show.

#### **Summer Reading Challenge**

Next week, the local library will be coming to school to introduce our children to the new Summer Reading Challenge. The Summer Reading Challenge takes place every year during the summer holidays. You can sign up at your local library, then children can read six library books of their choice to complete the challenge. There are exclusive rewards to collect along the way, and it's FREE to take part! The Summer Reading Challenge website helps children to keep track of their reading all year round, find new books to read, take part in competitions and mini challenges and play games.

#### **Single Use Plastic Free School**

A gentle reminder that we are still boycotting single use plastics as much as we can. With this in mind, please try not to use cling film or tin foil in packed lunches and avoid overly packaged products such as plastic cartons of cut up fruit, etc and drink cartons with straws. Also please name all water bottles so we don't have to throw any unnamed bottles away which then defeats the object of reusable bottles! Power to the People!

#### **Last Week Of Clubs**

Next week will be our last week of after school clubs and the morning daily mile - these will all kick off again in September.

**Summer 2 - 3rd June - 25th July**
