

Springfield School

NEWSLETTER 15 – 10th January 2020

SEN SPECIALIST SCHOOL

Welcome to our fifteenth edition of our weekly 'admin' newsletter for the 2019/2020 academic year. This will keep you up to date with whole school events and activities.

Contact Details

Thank you for your patience last Monday when the heating was broken. Please can we remind parents to ensure their contact details especially mobile numbers are kept up to date. Please inform the Admin Team of any changes so we can alert parents quickly in emergency circumstances.

Roberts Recycling Campaign

We came third in the Roberts Recycling Eco-Championship competition for our outstanding clothes collection last term! Thank you everyone! The next clothing collection date is set for Thursday 19th March. It would be wonderful if you could save any unwanted clothes, shoes and accessories once again please. Recycling bags will be sent home nearer the time.

Christmas Jumper Day

Thank you to all those who supported Christmas Jumper Day in December, £140.50 was raised for Save The Children.

Friends of Springfield meeting

Next Thursday 16th January in Chat and Chill. Everyone welcome.

Safeguarding

Classes will be re-visiting the NSPCC Pants Are Private work and song with the pupils. See link below if you would like to show this to your children at home.

4AJ

4AJ have begun a new Literacy topic this week and are preparing for work experience, with some pupils taking part on Friday.

It has been great to see pupils settle very well and get back into the routine of school quickly. We have also begun a new Flexi Day topic - Design Technology - with Mr Wood and PSHE with Mr Martin. Pupils are also preparing for the next school council meeting and have begun to collect their ideas for this.

Message from School Nurses

Thank you to those parents/carers who completed the health questionnaire. Also, a reminder, can all parents ensure that any medication is handed over to taxi/escorts and not put in a child's bag to prevent medication being taken out by a child and taken as this is extremely dangerous. We have secure places to put medication within school to prevent this from happening.
