

## **How to use the PE and Sport Premium** (from DfE guidance document 2018-2019)

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport on offer.

This means that the premium must be used to:

- develop or add to the PE, physical activity and sport activities that the school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, funding can be used to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the School Games
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

## PE and Sport Premium Plan 2018-19

Grant received - £16000 +£10 pc			
Total number of pupils on role (January census 2018)	478		
Summary of Grant spending 2018-19	£16,000 grant and £10 per pupil Total= £16,000+£4780=£20,780		
<p>Objectives:</p> <ul style="list-style-type: none"> <li>• Pay for professional development opportunities for teachers in PE and sport</li> <li>• Increase pupils' participation in the sports and physical activities</li> <li>• Provide places for pupils on after school sports clubs</li> <li>• Support and engage the least active children in physical activities</li> <li>• Improve resources to support the development of the subject</li> <li>• Review the effectiveness of the swimming programme</li> <li>• Develop a job description and appoint a temporary school sport coordinator from January to July 2019 pending the instigation of a more permanent arrangement from September 2019 onwards</li> <li>• Buy in support from the Improve It School Sport Partnership (formerly Witchford) to support the SSCO to undertake a whole school review of PE and sport using the YST self-review tool</li> </ul> <p>Success Criteria:</p> <ul style="list-style-type: none"> <li>• Self - review complete and plans in place for 2019-2019 (YST toolkit)</li> <li>• A permanent SSCO role has been initiated</li> <li>• The quality of class teaching in PE improves</li> <li>• Increase the number of physical activities available outside schools hours (before and after school)</li> <li>• Review and improve the quality of swimming provision at Orchards</li> </ul>			
Planned spending record 2018-19
