

# Happy Easter from everyone at Beechwood!

**EASTER EGG MODEL AND BONNET WINNERS 2019**  
Well done to all of you!

**HOPPY EASTER!**  
Coco and Oreo are our male Dutch rabbits. They are still much loved by the children. Autumn, Keira and Skye love looking after them and even tolerate cleaning out duties!

Thank you Parents, Grandparents and Guardians for supporting the model and bonnet making again this year; we have never seen such a packed assembly hall which was lovely for the children.

**BRASS AND DRUMS!**  
Our Year 4 drumming group and Year 5 progression drummers demonstrated their skills this morning, followed by the Brass group who bravely played to the packed hall after just six weeks of learning a new instrument.

*Well done!*

## **ERASMUS European Visitors**

Graeme Kirkup visited our school twice this term to share our school teaching practice with teachers from Europe. They talked to children and staff about our school grounds and mathematics teaching at Beechwood. We always learn a lot from each other and the visitors are always very complimentary about our school.
