

Dear Parents

I hope you are all well and keeping safe.

Some of you may have heard on the news that the government made a good decision on supporting free school meals during the Easter break. This news was only announced yesterday but I wanted to reassure you that we are trying to arrange this so you can receive your entitlement as soon as possible. It will be for £15 per child.

The National voucher scheme uses the main large supermarkets and will involve you logging online to obtain an e voucher.

Please can you let us know by tomorrow if this will be a problem for you as we will look to see how we can support you in a different way.

Many thanks and best wishes,

*Susannah Storey*
