27th November 2020

Dear Families

What a first term it's been so far! Firstly, I would like to extend my thanks to you as a community for your support and understanding during this difficult time. Your children have shown such resilience, especially during this second lockdown, we are very proud!

Secondly, a huge thankyou to staff for their continued dedication to our children's education and wellbeing.

As we move forward and out of this lockdown, I would like to share with you our continued strategy to keep our children and staff safe.

We will continue to maintain the class bubbles and staggered drop off, which I'm pleased to say are working well. In order to aid this, I ask parents to continue to adhere to the one way system put in place. Once your child has been dropped off or collected, please vacate the school area as soon as possible, to keep things clear for the next year group. I understand the infant collection area is small and we would like to limit crowding as much as possible. We also ask that where possible you maintain social distancing, wear a mask on school grounds, and encourage you to follow local and national guidelines with regards to socialising.

Finally, may I remind parents that in the interest of safety, please do not use the school car park between the hours of 8.15 -9.15am and 2.30-3.30pm. This is even more important now, as the staggered start/finish means families are coming and going in the area for an extended period.

If you have any questions or worries, please don't hesitate to get in touch.

Thank you again,

Terri Jenkin
Chair of Governors
