

TWITTER ANNOUNCEMENT

TO ALL ST DAY AND CARHARRACK FAMILIES

Please look out for our postings on TWITTER. If you are not aware, school has its own TWITTER account, which is accessible to all families for us to share learning and special posts we think will support you in the home. You can view our twitter account on the school website home page.

As we cannot be together now we would love to see the fun learning-taking place at home and therefore invite **YOU** to post pictures, drawings, photographs, pieces of writing/maths challenges completed onto the twitter page for everyone to celebrate.

WHAT YOU NEED TO DO

SIMPLY start a free account and enjoy viewing our St Day and Carharrack School Community online! Log in and type in St Day and Carharrack School! BOOM! ENJOY, SHARE and COME TOGETHER WITH US AGAIN!

Just think how proud your children will be sharing their learning online!

Please observe our usual internet safety rules and only post pictures of your own children
