

Dear Children

All of us at St Day and Carharrack miss you all very much! It is very strange for us not seeing you everyday. We are sending you Easter wishes - you are officially on holiday for the next two weeks! I know your teachers have been really pleased to have a chat with you this week. Everyone will be calling again after the Easter holidays.

I tried the Joe Wicks PE session with my girls yesterday morning. I don't know why but my girls were rolling around on the floor laughing at me! I completed it though so I'm feeling very proud of myself. From next week, I am aiming to do it everyday! Have a go with your family if you haven't tried it already.

Please ask your parents to share the attached Easter activity with you (it came from my daughter's school and I thought you might enjoy it). We would love you to send in examples of you doing good, kind positive things for yourself and others over the Easter holidays (no Homework over Easter!). Some suggestions are included but please be creative! You can send in more than one or spend your time 'perfecting' one idea! This also links up with our Golden Rules - which you are brilliant at following in school - so please make sure you are following them at home especially with your brothers and sisters! I've told my girls that they are very lucky to have each other to play with and they have to be kind at all times. I know it can be hard at times but keep trying!

Do you remember all those amazing cakes you made last year for our bake off? We will have to do this when we are back together.

Thinking of you all, stay safe - keep washing your hands, listen to your parents and be kind to each other!

I can't wait to see what you send in!

With best wishes, Ms Storey
