Topic Project Activities

- Create a piece of outdoor art linked to our topic In the deep dark woods.
- Write your own story set in the woods. Who will your main character be and what will happen to them?
- Design a map of your dream woodland area. What will you include? A playground perhaps or a maze, underground tunnels or a café? When designing it do try to include a key.
- Practise your handwriting at every opportunity. You could use the Year 2 common exception word document on our page of the school website to help you.
- Use the story maps (when they are sent home) to practise and perform our story of Little Red Riding Hood.

Please do take a photo or video of any activities carried out at home as and when you complete them and email them into us at
