Suggested Spelling Games

Stair Steps

This easy spelling game helps your child memorise the way certain words are spelled. Ask them to write each word as if they are stairs, adding one letter at a time. You can do this on a piece of paper or use alphabet magnets. For example:

B
Ba
Bas
Bask
Baske
Basket

Letter Clippings

Help your child cut out different letters from a newspaper or magazine to spell different words. This activity lets them consider each letter carefully and individually, while creating visual representations as a helpful memory aid.

Scrambled Spelling

You will need alphabet blocks, fridge magnets or the letter clippings from the previous exercise. Take the letters of a word and scramble them for your child to put together in the correct order. You can make this game more fun by using a timer and getting multiple players involved!

Spelling Word Race

Create two teams with a player from each team taking the 'pen' at a time. Someone calls out the word and the two players race to write the word first.

1 x 3	2 x 3
3 x 3	4 x 3
5 x 3	6 x 3
7 x 3	8 x 3

9 x 3	10 x 3
