

Half-termly Homework Menu Year 2

Topic: Going on Safari Term: Autumn 1

Statutory Spellings

If you are part of the RWI phonics group practise the spellings using your sound sheets and those in the front of your weekly reading books – green and red words.

This term everyone will focus on the year 1 common exception words. Please go through these and check your accuracy and confidence when using them in a sentence. Once confident move onto the year 2 list – both attached.

Times Tables

Learn the actions for the actions tables. Then use these to learn the 2 x table.

Topic Project Activities

- * Design your own safari or wildlife park. You could draw it, junk-model it or even make it out of Lego – whatever you would prefer. Which animals will you include? What would they need to have in their areas?
- * Carry out your own research into animals, habitats, safaris and Kenya.
- * Design a pet home linked to our science topic.
- * Use the story maps to practise and perform our poem from Rumble in the Jungle and then the story of The Tortoise and the Hare.
- * Create a pet fact file based on your own pet or a pet you would like to own.

Reading

Try to read daily for 5-10 minutes. Ask a grown up to write in your reading diary.

Enjoy reading a range of books with a family member or friend.

Challenge: Can you find a book that is somehow linked to our topic?
