

How to log into Google Classroom at home

1. Install / launch Google Chrome browser or alternative (internet explorer/safari) and go to the Google homepage www.google.co.uk

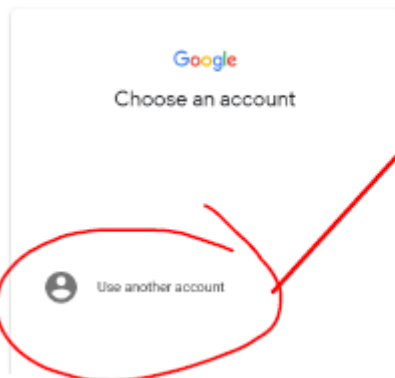

2.

Gmail Images **Sign in**

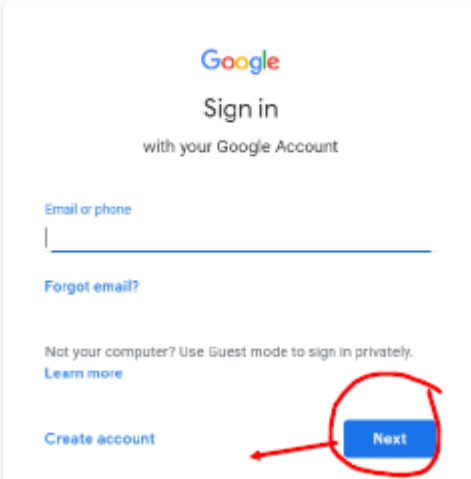

*Click here
to sign in.*

*3. Click to add a
new account*

4. Enter your child's username. This is the email address they use at school.

For

example 20daniel.o@northamfederation.devon.sch.uk

For Daniel Ovey in Year 3

Daniel Ovey in Year 4 would be

19daniel.o@northamfederation.devon.sch.uk

Yr3 prefix – 20

Yr4 prefix – 19

Yr5 prefix – 18

Yr6 prefix - 17

5. This will redirect you to Microsoft login. Please re-enter your child's username and password if required.

6. Enter your password. Year 3 and 4 this is set to the default 'Computer1' (case sensitive).

You may get a small pop-up box asking if you recognise the account click **yes** and this will then take you into your child's account.

7. You should see your year group. Click on its name to enter the classroom.

8. Everything the children put on classroom is safe. It is not open to the public and the classroom itself is password protected.
