

Why is it important to remember?

Year A, Autumn Term

Working as Authors we will study...

Key texts: Fox and Hansel and Gretel

Genres: Non chronological report and narrative.

Working as Mathematicians we will study...

Year 2: Place value, geometry and addition and subtraction.

Year 3: Place value, geometry and Multiplication and division.

Working as Scientists we will study...

Plants

NC Objectives

Pupils should be taught to:

- Observe and describe how seeds and bulbs grow into mature plants
- find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.
- identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers
- explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant -investigate the way in which water is transported within plants
- explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.

Working as Historians we will study...

Significant events: Remembrance

NC Objectives

Pupils should be taught to:

- Significant historical events, people and places in their own locality.

Working as Geographers we will study...

Human and Physical Geography

NC Objectives

Pupil should be taught to:

- understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom
- use basic geographical vocabulary to referring to key physical features (beach, cliff, forest etc) and key human features (city, town, village etc)

Working as Engineers we will study...

Computing – Word Processing

- use technology purposefully to create, organise, store, manipulate and retrieve digital content
- recognise common uses of information technology beyond school

Design Technology – Mechanisms

- Design, Make, Evaluate
- build structures, exploring how they can be made stronger, stiffer and more stable

Working as Artists we will study...

Printmaking and Drawing

NC Objectives

- to use a range of materials creatively to design and make products
- to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination
- to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space

Working as Athletes we will study...

Sports: Tag rugby, running and multi skills.

Health: Hazards

Fitness: Boot camp

Working as Philosophers we will study...

RE: Unit 1.7 'Who is Jewish and how do they live?'

Working as Musicians we will study...

Charanga

Glockenspiel stage 1.

Let your spirit fly.

Challenge

Create an art exhibition

Curricular Opportunities

Local Walk, trip to Coleford
