

Year 1 - Marvellous Moments for Term 1 & 2 2019

On Wednesday 11th December, we visited Southway library. We were very lucky because the sun was shining during our walk to and from the library. When we arrived, we took off our coats and sat quietly. Next, we were shown how to use the library. There we fiction and non-fiction books. After that, we really enjoyed listening to a story all about Christmas. Eventually, it was our turn to look around the library and we were able to read a book of our choice. There were so many books to choose from! It was then time to have a drink and a biscuit. Finally, it was time to return to school. Hopefully, we will all visit the library again during the Christmas holiday.
