

Minutes for School Chaplaincy meeting 27/01/20

- We discussed the school chaplaincy action plan which we wrote on the training day in Plymouth
- The children discussed the vision statement for our chaplaincy team. We shared the school council vision statement. We came up with,

'We aim to help the children at St Johns to act more like Jesus. We want to work on the worship, the prayer and the values of our school community.'

We will do this by:

- **how we act as Chaplains. We are role models. We will show everyone LOVE**
 - **we will lead worship, assemblies and prayer in each class**
 - **we will share the word of Jesus**
 - **we will try and help others by our actions and words**
- School Chaplain's Motto. We came up with this.
'Be your best self today.'
 - School chaplains discussed leading class worship on Tuesdays. They started this last Tuesday and will do another one tomorrow.
 - Together we have written a school prayer
Dear Jesus
Help us to be strong like St John the Baptist.
Let us show love, peace and kindness to all.
Encourage us to be the best that we can be and always show your love
Amen

- Our school prayer to go onto the website and in the newsletter for parents to introduce parents to the work that we are starting to do.
- Whole school worship/assembly on Thursday on introducing themselves and what is a Chaplain. They can act out the story of St Martin. They can start to teach the school the school prayer that they have written.
- School chaplains to have a badge with photo and motto on the back.
