Dear All

I cannot believe that our Spring term has come to an end. Within this newsletter there is a reminder of our school summer uniform. The children are welcome to wear either winter or summer uniform but please could you ensure that they are wearing the correct colour uniform. In particular, summer dresses which are **yellow (not green)** and may be checked or striped. I was delighted to see that Poundland are now stocking the yellow dresses for £3!

When we arrive back in the summer term we will be starting 'Ice Cream Friday' which was very popular last year. This will then continue every Friday after school, come rain or shine! The proceeds of this will go towards much needed equipment in school.

Please could you check the back page of this newsletter for important dates. There are lots of events planned for the summer term which we wanted to share well ahead of time.

### Important Dates

Our Phonics Screening week for all children in Year 1 will be taking place across the week of the 10th June. These will be lead by Mrs Barnard who has been assessing the children in this way throughout the year so the children are very familiar with the process.

KS1 SATs for all children in Year 2 will be taking place across 2 weeks— week beginning 7th May and week beginning 13th May.

KS2 SATs for all children in Year 6 are taking place week beginning 13th May.

It is vital that your child attends school and arrives on time during their assessment week.

We would like to welcome Year 6 children during their SATs week into school early for a SATs breakfast at 8am so that they are ready to begin at 9am.

Many thanks for all your continued support. I would like to wish you all a Happy Easter and a lovely break and look forward to seeing the children again on Tuesday 23rd April.

Demelza Bolton  
Headteacher

### Healthy Snacks

Please can we remind parents that children are allowed to bring healthy snacks into school to enjoy at breaktime. Suitable foods include fruit and (non-chocolate) cereal bars. Children are not allowed to eat sweets, crisps or chocolate during their morning play. Children in EYFS and KS1 are offered, and are entitled to, a free piece of fruit every day.

According to NHS choices a balanced lunchbox should include:

- Starchy foods like bread, pasta, potatoes or rice
- Protein foods like meat, fish, eggs or beans
- A dairy item like cheese or yogurt
- Vegetables or salad and a piece of fruit

Finally, can we remind parents that children should only be drinking water during the day. This should be in a bottle with a sport's lid. These can be purchased from the school office for £1.20.
