FLU Vaccinations - Electronic Consent

On Tuesday 24th November the Immunisation Team will be offering the Flu vaccination to all Weston Mill Community Primary Academy Children from Reception to Year 6. This will be administered adhering to all up to date Infection Control, PPE and social distancing guidance at the time.

Flu vaccination is one of the most effective interventions we have to reduce pressure on the health and social care system which is going to be more important than ever this year. For this reason, it is essential we deliver the vaccine to as many children as possible to prevent the spread of infection to those most at risk in society.

In light of the above, we are expecting demand to be high and therefore we urge you to follow the below link to consent to your child's vaccination now. You will also find answers to your FAQ's on this link.

In order to provide electronic consent for your child's Flu vaccination, please can we request that you access the consent portal via the following link below and follow the on-line instructions. <https://schoolimms.virginicare.co.uk/flu/2020/devon>

If you have any difficulties with completing the consent form please contact the Immunisation Team on our Single Point of access (SPA)
