We have made it through another successful week and continue to thank you for working with us around our new school rules.

Please can I ensure that children are all wearing coats to school, as the weather is so unpredictable, and that school footwear is worn as well (unless a PE day where the PE kit and plain trainers should be worn. Many thanks.

Who's who—Meeting the team

Hi, my name is Clare Burch and I am the INCO (Inclusion Co-Ordinator) at Weston Mill Community Primary Academy. I have worked here for over six years and feel I have good communication links with our families to ensure the best support for their children. ATTENDANCE

**PLEASE
NOTE..**

After completing our attendance review this week we are pleased to see some really good attendance in school, as a school we are now working with a new educational welfare officer called Gillian Watts.

We would like to reassure parents that if your child is off due to a COVID related issue they will be given an authorised absence and this will not affect their overall attendance.

Please can we also remind parents that if your child is not in school to call the school office and give them a reason for this. If we do not hear from parents this will be recorded as an unauthorised absence.

Thank you.

SAFEGUARDING—From Mrs. Dinnis and Mr. Wilkins—Safeguarding leads for the school.

As a reminder to you all, we are asking that you continue to work with the school and community in maintaining vigilance around the school site. If you see any unusual activity or are concerned about an unknown adult, we ask that you inform the police and also inform the school about it.

As a school we continue to work with the police as well as reminding children about safeguarding themselves.

In addition to this, we ask again, that parents do not park on yellow lines, or corners near the school entrance and back gates to ensure children can enter and leave the school safely.
