Dear Parents/Carers,

Yesterday afternoon Year 4 parents and children had the opportunity to listen to a presentation from the company who we will be using for our Year 5 residential next year. They are called Reach Outdoors, and are based in Paignton.

This is a fantastic opportunity where children will have the opportunity to spend 3 days (2 nights) with their friends from this school, and others from across the MAT, camping and trying new and exciting activities. These activities include sea kayaking, paddle boarding, raft building and rock climbing.

Reach Outdoors have been successfully giving children outdoor adventures for over 8 years, last year having over 800 children taking part in their residential. They have a highly trained team of instructors ready to look after our children with over 30 years combined experience of outdoor practice.

This is a wonderful opportunity for the children to participate in, but spaces are limited to 20, and are on a first come (and deposit paid on parent pay) first served basis. By paying the deposit you confirm that your child will be attending this residential experience.

**The trip is planned to take place from Wednesday 23rd September to Friday 25th September 2020.** The cost, per child, for this trip is £134. Should you wish your child to attend, would need to pay a deposit of £50 (non-refundable) by Friday 6th March as places are limited for this. Following this there would be two further instalments of £50 and £34 required by the end of June 2020.

On the reverse of this letter there is the promotional flyer that was available at the parents meeting earlier this week. This also includes their website: [www.reach-outdoors.com](http://www.reach-outdoors.com) which has lots of information about the residential trips they run and the types of activity the children can take part in.

We look forward to a fun and exciting trip for those children involved.

Mrs Dinnis  
Head of School
