3<sup>rd</sup> July 2020

Dear parents and carers

### **Year 6 provision within the Trust**

Further to my previous letters, we have recently been undertaking a review of pupils returning to school in order to determine if there is capacity for more to return.

I have previously stated that we will only develop our provision when it is safe to do so for all members of our school community. This has meant a further review of the needs and risks of all children to determine if they would be able to engage appropriately in our new school environment.

I am now in a position to invite Year 6 pupils back to school from the week 6<sup>th</sup> July. In order for us to determine what days and timings could be accommodated it is important that you contact your child's school to let them know if you wish to take up the offer of a place. This would only be on a part-time basis, is most likely to be at the end of the week, and will finish on 17<sup>th</sup> July. Each of our schools will be determining its own arrangements based on its capacity and current pupil numbers.

It is important that you respond by **midday on Monday 6<sup>th</sup> July**. If we do not hear from you by this time, we will assume that you do not wish to take a place. Further details will be provided to parents who request a space early next week.

Thank you for your support, and look forward to seeing some of our children over the next few weeks.

With very best wishes
