Monday 28th June 2021

Dear Parent/Carer,

As part of your child's education, all Year 6 children are to participate in the Sex Education element of our Relationships and Sex Education Programme. Aspects of this learning will also link to the Science National Curriculum and the lessons will take place in the week commencing, **Monday 12th July**. The lessons will be delivered to the children in single sex groups, so that all children feel comfortable to ask any sensible questions that they may have.

It is important that, as a parent/carer, you are aware that this will be happening, as some children may want to discuss matters with you.

Year 6 children cover Puberty, The Life cycle of a Human and Sex and Relationship Education – please find attached the scheme of learning for these lessons on the reverse of this letter.

If there are any questions, please do not hesitate to contact your child's class teacher.

Yours sincerely,

Year 6 Team

Year 6

Puberty, Relationships and Reproduction Key Stage 2

Scheme of Work
