

LINK ACADEMY TRUST SAFE COLLECTION OF CHILDREN POLICY

Hennock School

Statement of Intent

Our children's safety is of paramount importance to us all. We will endeavour to ensure clear and robust procedures for collection are in place, regularly reviewed and clearly shared with staff, parents, carers and pupils.

In the event that a child is not collected by an authorised person at the end of the school day the school puts into practice agreed procedures.

Aim

The end of the school day is a busy time, and our aim is to ensure children are dismissed carefully under supervision, collected on time and arrive home safely. The aim of this policy is to ensure the safety of children by making sure that the responsibilities and expectations of all parties are clear when it comes to children leaving the school premises.

In the event that a child is not collected by an authorised adult, we will ensure the situation can be resolved as quickly as possible to cause as little distress as possible to the child. We inform parents/carers of our procedures so if they are unavoidably delayed they will be aware of procedures being followed.

The Authorised Adult

The Authorised Adult should be a responsible person aged 16 years or over. The person may be a;

- Parent/Carer
- Family member
- Child minder
- Neighbour
- Someone over the age of 16 who has the parent/carer's written permission to collect the child from school.

Infant children (those in Pre-School, Reception, Y1 and Y2) should NOT be collected by other brothers or sisters in school. They should be collected by an authorised adult. Teachers have been asked NOT to release infant children to siblings from Key Stage Two but to ask the office to contact parents/carers to ensure they are collected by an authorised adult.

If children are to be collected by a brother or sister who attends Secondary School, and is over the age of 14, written permission from the parent/carer should be given prior to the collection.

Methods

Parents/carers of children starting our school are asked to provide specific information which is kept in our data file in the office including:

- * Home address and telephone number of parents/ carers

- * Place of work, and telephone number (if applicable)
 - * Mobile telephone number (if applicable)
 - * Names and telephone numbers of adults who are authorised by the parents/carers to collect their child from the school i.e. childminder, relative
 - * Information about any person who has been denied legal access to the child
 - * Information about who has primary responsibility for the child
- If there are any changes to any of the above we ask that the school office is notified immediately.

When there is a change to the end of day arrangements we ask that parents inform the class teacher and the school office, who will record the change in a log book.

Safe Collection

School finishes at 3.15pm for all year groups.

The children in Saplings Preschool are taken to the main entrance and are handed over individually to their authorised adult.

Children in Year One and Year Two are taken out in to the playground and handed over to their authorised adults.

Children at KS2 (Years 3, 4, 5 & 6) are taken to the corridor entrance to the front playground to meet their authorised adults.

Once a child has been handed over to a responsible adult, they are no longer the responsibility of the school.

We ask parents/carers to remain vigilant after collecting their child to ensure they leave the school premises safely.

Years 5 and 6 Parents/Carers of children in Years 5 and 6 may understandably wish to encourage independence prior to their children going to Secondary School and allow their child to travel home alone, or with a friend. Should this be the case we ask that the class teacher, or office staff, be informed, preferably in writing to avoid any confusion.

When Children Are Not Collected

Sometimes, in exceptional circumstances, a child may not be collected on time. We request that you contact school as soon as possible to notify us that you may be late. If we receive no such message, the following procedure would be followed;

1. The child should remain with their teacher until their adult arrives.
 2. If their adult is late, they should return into the building with their teacher and wait outside the office while the staff try to contact them.
 3. We inform parents that if children are not collected at the end of the day we follow the following procedures:
 - Messages are checked to see if there are any changes to the end of day arrangements
 - Parents/ carers are contacted at home or work
 - If this is unsuccessful other authorised adults are contacted
 - In the meantime the child will wait in school under adult supervision
- *Where NO authorised adult can be contacted.

If the child has not been collected after one hour, (4.20pm) and no contact has been made or arrangements agreed we will follow our Child Protection Procedures and contact Social Care . The Social Care team will aim to locate the parent/carer or relative.

The school will deliver a letter to the child/children's home informing the parent/carer of the actions that have been taken to safeguard their child.

A full report of the incident will be written and placed in the child's school file.

Following a Late Collection

- All late collected children will be recorded in the "late book".
- Where a child has 3 recorded late collections in one half term a letter will be sent home to the parents.
- Where there is no improvement in late collection a second letter will be sent and a referral made to the Educational Welfare Officer.
- Where children are collected more than 15 minutes late after-school club (e.g.: football) on 2 occasions they will automatically lose their place at that club.

This policy will apply to all children within our school.
