5th March 2021

Dear Parents and Carers,

The moment has finally arrived (well, on Monday anyway) when we can welcome everyone back into school. We are all really excited to be having all the children back in school, learning loads and having fun. We have missed them all so much and we are looking forward to having our Coaley family back together again.

I hope the class letters have been clear with how we intend to run each class but please Dojo your child's class teacher with any queries. As a reminder, the drop-off and pick-up times are as follows, remembering that the Starlings are to use the front of school as before with the Owls and the Robins using the classroom back doors:

Drop off

8:40- Owls

8:45- Starlings

8:50- Robins

Pick up

3:10-Robins

3:15-Starlings

3:20-Owls

Siblings in different classes should be dropped off at the later time and picked up the earlier time.

We see the delicious return of hot school dinners which we are really pleased about as this means that children can get a hot, nutritious meal in school if they wish.

We understand that there will be some adjustment needed for the children as they come back together and we are planning lots of activities to settle the children in and make sure that they feel safe and well. We will also be checking on their learning so far and making plans for the rest of the school year to help everyone recover and catch-up on any lost learning.

I look forward to seeing you all next Monday and have a lovely and relaxing weekend.

Richard Lucas
Executive Headteacher
