

## 'Looking Back, Looking Forwards'

As we approach the end of the school year, we start to reflect on the year we have had and what will be in store for us in September.

Later today, we will be sending home information about which class your children will be in next year as they move into their new year group and who their teacher(s) will be. They will continue with their current classmates into their new classes.

Over the next few weeks, your children will spend time meeting their new class teacher and spending some time with them in their new classroom.

Your child's current class teacher will also be spending time with the next teacher discussing the class and all the important transition information. In this way we hope, to provide a smooth transition into the new year. We recognise, in some cases, the transition to a new class can be challenging and Mrs Russell (SENCo) has been working with our team to make sure we have additional support in place.

**June 2021**

## Our Learning

As we approach the end of the year, we want to gather your views about our curriculum. We have 2 questions we would like you to answer to help us reflect and develop our learning offer. Please click on the [link](#) and thank you for your input.

## Celebration Worships

Please remember our weekly celebration worship can be found on the school website for you to share with your children and wider family.

Follow the [link](#) to see the celebrations so far this term.

## Allotment Update

Our first harvests are in with strawberries, beans and even a red onion emerging from the school allotment.

Thanks to Mrs Russell and the many children involved across the school. We can't wait to see what else emerges!

Each term we focus on one of our 6 values, which is embedded into our learning to help the children understand and appreciate their environment, the wider world and to help them be the best they can be. This term our value is **SHARE**.

We **SHARE** our joy in learning, our faith and our knowledge with each other. We work together to support our community and the common good.

Our verse for this half term is,  
*'Put all things to the test; keep what is good.'* 1  
*Thessalonians 5:21*

## Important dates

## Sports Mornings

Our Sports Mornings will be behind closed doors this year but we are still looking forward to holding our sports mornings – even without your cheers!

The Juniors will be holding their sports morning on Tuesday 6<sup>th</sup> July (weather permitting), taking part in a range of events which they have tried to practice as much as possible despite the weather.

The Infants sports morning will take place on Tuesday 13<sup>th</sup> July (weather permitting) and they will rotate around different events, collecting points for their house team. For the sports mornings we ask children to come into school in their PE kits wearing a t-shirt/top in the colour of their house team or in their normal PE top.
