

St Wilfrid's CE Primary School

March 2019 Newsletter

'Do to others as you would have them do to you.'

Luke 6:31

Dear Parents and Carers,

This half term, we have begun to look at our value of respect and what this means to us at St Wilfrid's and the wider world. We will be exploring how we respect each other and the people we come into contact with. Also, we will focus on how we respect ours and others property. As with the other values, we will have opportunities to share this with our year group and with our buddy year group as well.

Our Book Day

The children (and staff) looked wonderful today and showed off such a range of different characters from a variety of stories. During our assemblies today, the children paraded in front of each other, showing off their costumes and marvelling at the creativity and celebrating the effort on show. The teachers and staff put their heads together and chose a winner from every class (shown in the pictures below), they were awarded a £5 voucher to spend at the book fair after school on Monday and Tuesday next week (children can also spend their world book day token).

Growing Success, Rooted in Faith

'The Journey to Excellence' – Wednesday 27th March at 7pm

As we continue to embed the improvements made at St Wilfrid's since the Ofsted Inspection, we are planning for the future direction of the school and the educational experience we would like to offer our children. Our aim, unsurprisingly, is to be a school where our children are happy and successful in a range of areas and go on to Secondary education still having a wide range of choices for their future.

How we achieve this is in continued partnership with yourselves as we support each other to develop the children in our care. Therefore, we would like to invite you to a presentation on Wednesday 27th March to share with you our progress so far, our vision for the school and where we see ourselves in 3 to 5 years' time.

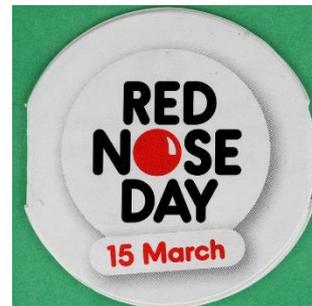

Freshen Up day!

Tomorrow, we have another of our 'Freshen Up!' days and thank you to all who have signed up to help either with some gardening in the junior playground or with painting the year 3 and 4 corridor. If you have gardening tools, gloves etc that would be a great help.

Your support is invaluable and we are looking forward to the day tomorrow. Please enter through the junior gate (opening at 10.30) and you will find us there. I would also like to thank 'Up Country' who have donated some materials to help the projects tomorrow.

'Red Nose Day 2019'

Next Friday, we will be raising money for Comic Relief by wearing something red! This can be as simple as one of the red noses or a whole outfit of red! If children would like to donate £1 towards this charity then this will be collected by the Dream Team and the money sent off to Comic Relief.

Kind regards,

Simon Hateley
