SALAD BAR

This week we launched our new salad bar! It is 'self-service' so children can take as much or as little as they want. We hope the children continue to use this and maybe children will try something they haven't tried before!

Lillie and Jared are happy with the new salad bar.

MUD KITCHEN

A big thank you to John Airey (Jago and Elsa's papa) for making a mud kitchen and kindly donating it to school.

It is situated in the nature area and we know that the children will have endless hours of fun playing with it.

ATTENDANCE

If your child is going to be absent from school you need to notify school as soon as possible with a reason. You can text, class dojo, leave a message on the attendance line or ring the office.

A reminder if your child needs to be absent from school due to medical/dental appointments please can you bring a copy of the letter to photocopy for your child's attendance record.

When the Education Welfare Officer comes to school he will check attendance and any children with low attendance will need evidence such as appointment letters or doctors notes otherwise it will be recorded as unauthorised.

10 unauthorised sessions will trigger immediate action from the Education welfare officer and may lead to prosecution.

NETBALL FESTIVAL - On Tuesday afternoon, our Netball team went along to a Crofty High 5 Festival at Pool Academy. They all played really well but also worked amazingly as a team and showed good sportsmanship throughout.

Their amazing efforts saw them win all 4 games that they played, winning the Festival overall. They will now be representing the Crofty MAT in the finals at Penryn in a few weeks' time. Well done Marley, Kieran, Tegan, Emily, Abbie, Amy and Zara!

STAY SAFE!

Michelle from the NSPCC came in to school to talk to children about keeping safe.

In year 5/6 we spoke about all different forms of abuse. She taught us about an easier way to remember the ChildLine number **0800 1111**.

We did some activities, made fortune tellers and got bookmarks. Emily S, Emily R and Harriet

Exciting things
are happening in
OUR COMMUNITY

Dear parents

As you may know the schools of Crofty MAT and Pool Academy have been working together in different ways for many years.

We think that we can create something even better for the children and young people in our community so are looking at a new kind of partnership.

If you are interested in finding out more and giving us your thoughts on the idea then you would be most welcome to come along to the parents meeting at 6pm on Wednesday 12th March at Pool Academy.

If you have any thoughts or questions please feel free to share them with me next time you are in school.

Best wishes

Mrs Finn
