

# Predator

**It's time to take a walk on the wild side!  
Learn about creepy crocs and amazing  
alligators, the deadly assassin bug and the  
voracious Venus flytrap.  
Feeling peckish let's jump aboard the food**

**English:**  
Non-chronological texts will be explored and the children will write their about predators. They will continue with the year 3 and 4 spelling words as well as learning other spelling patterns. We will also look at dilemma stories. In reading, key skills will be built on we will identify different features of different types of text.

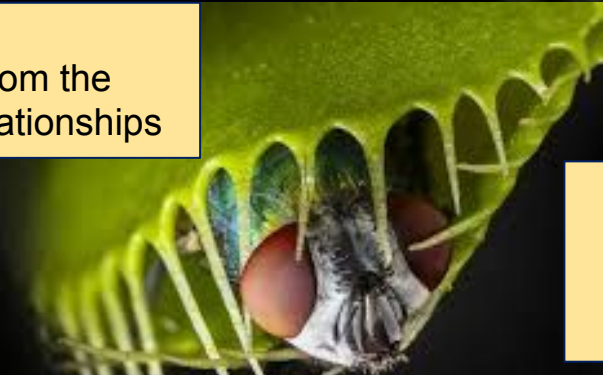

**Design and Technology:**  
They will be designing, building and evaluating their own bird puppet to go with their music.

**RE and PSHE:**  
We will be looking at what Christians learn from the creation story. In PSHE we will be looking at relationships

**PE:**  
On Monday the children will play tennis. On Friday they will have PE, this term they will be having athletics.

**Maths:**  
We will be focusing on shape, measure and time this term. Investigating 2D and 3D shape, angles and different types of lines. Reading a 24 hour clock as well as an analogue. The children will also be applying their skills to different problems.

**Geography:**  
Children will observe the peregrine falcon and its habitat as well as crocodiles and alligators. They will use their map skills.

**Science:**  
In science, we will be looking at food chains and space.

**Music:**  
Mrs Chantrill will be getting the children to create their own piece of music linked to

**Art:**  
**The children will experiment with collage and mixed media to create a predator.**
