

In the event of heavy snow

I will of course endeavour to keep the school open and I will only take the decision to close if I do not have enough staff to supervise the children safely.

Please check **Radio Leicester on 104.9 fm** for news of any school closures. You can also check their website at <http://news.bbc.co.uk/local/leicester/hi/>. If we are not listed as being closed then we will be opening as normal.

I will of course make a decision about any closure as early as possible to give you plenty of notice to make arrangements for your children should you need to.

Many Thanks

Reminder – Snowy days

In the event of a spell of snowy weather I will of course endeavour to keep the school open and I will only take the decision to close if I do not have enough staff to supervise the children safely.

In previous years we had some real adventures in the snow and it proved to be a fantastic opportunity to do some amazing activities, (like building igloos!)

In the event of snowy weather please listen to:
