## BAGELS FOR BREAKFAST

As you know, getting children off to the right start at the beginning of the day is essential for a day of learning. If children are hungry at the start of the day they will find learning difficult.

We are delighted to tell you that our school has joined the government's National School Breakfast Programme (NSBP) which is being delivered by the charities Family Action and Magic Breakfast.

As a NSBP School we are pleased to be offering our children a bagel as a way to 'refuel at school'. The children, on coming into school, will be able to pick up a bagel from the Year 3 and 4 playground, Years 5 and 6 playground and the Y1/2 area. Our Reception children will have their bagels delivered to their classrooms.

As this is a new initiative for us, please bear with us while we establish a routine. There may be blips along the way but we have a plan to heat, spread and serve the bagels by the start of school at 8.45 a.m. Our Magic Breakfast will be starting on Monday 29<sup>th</sup> April.

Remember, if your child is here on time their bagel may still be warm!

## SCHOOL CLOSURE

## Extreme reading

## EXTREME READING PICTURES

Monday is the deadline for the extreme reading pictures. We've already had a great selection so if you haven't already done so make sure you do it at the weekend. Snap a picture of your child reading in a weird and wonderful (but safe) way or place.

Email your entries to: [secretary@rosemellin.cornwall.sch.uk](mailto:secretary@rosemellin.cornwall.sch.uk). There will be prizes for the most unusual photographs and winners.

## CLASS ASSEMBLIES

Here is a list of the class assemblies that are yet to take place. The assembly will last 10 - 15 minutes and the children really enjoy showing their parents what they have been learning about in class.

We hope you can make it.
