Dear Parents/Families

It seems unbelievable but, here we are, almost at the end of term and the last newsletter of the year.

I just wanted to say to you all how proud I am to be the Headteacher of such a fantastic school as Rosemellin. Well supported by a team of hard working staff, responsible for the education, care and welfare of super children and working alongside and with you, the most important people, our parents.

Together we are making sure our children enjoy the best education possible and are forging the brightest of futures. This year we have all worked hard together on ensuring our children read not only fluently but with enjoyment. We have invested heavily, and been brilliantly supported by the PTA, in buying books, books and more books. The library will be up and running in September, providing our children with an environment in which they can enjoy reading and we have plans for its use as we move forward into 2019-2020 which involve you, so watch this space.

The children have enjoyed many opportunities across the year which have included: camps, trips out, a variety of learning opportunities in the classroom, performances, learning to play a musical instrument, Forest School, end of year performances, visits to local schools, sporting competitions, Dance, etc etc etc. The list could go on. A busy, productive and thoroughly enjoyable year.

I would also like to say a big thank you to all those parents who have been supporting us, by not only helping to support the children's learning by volunteering to read regularly but also in helping us to make sure our environment stays cared for, smart and welcoming. It is a hard thing to do when money is less and the list of what schools are being asked to do is lengthening but we are doing it.

Goodbye and good luck to all our Y6s who are about to start the next stage of their learning journey. We will remember you, we wish you every success and...come back and see us and tell us how you are getting on. Good bye and good luck also to our members of staff, Miss Gibson and Mrs Combella who are moving on. We hope you enjoy your adventures.

Finally, I would like to say a very warm welcome. First of all to Miss Leeson, who will be starting with us in September as the teacher of Lamorna class. I know you and the staff will make her feel very welcome and I know she will enjoy starting her teaching career with us. Secondly, to all our children and families who are starting YR in September. We look forward to working with you and making sure your child gets off to the best possible start.

I hope you all enjoy the best of Summers. Relax, enjoy whatever it is you are planning to do and...I look forward to seeing you all in September.

Best wishes

Mrs Finn

On Friday 6th September the meal choice will be fish fingers or quiche. On Monday 9th September we will commence with the new menu.

Dinner money will now have to be paid for children new to Year 3 - a letter explaining this has today been sent out to all current Year 2 children - please check your child's book bag for this letter.

Well done to all the Year 6 children who took part in Rosemellin's Got Talent this week. The children did a great job! Thank you to all the staff who helped.
