

LKS2 World Book Day Activities

Activity 1

WORD SEARCH

Create a word search using key words and characters from a book of your choice.

Pick your book and create a list of words you want to include – it's always good to include words of different lengths. Put your words onto your grid – remember you can write them forwards, backwards or diagonally. Fill in the spaces with other letters. Give your wordsearch and list of words to find, to someone to solve!
Maybe you could get someone to do a wordsearch for you to solve too!

Activity 2

BOOK REVIEW

Choose a book that you have read and write a book review.

A few things to try to include!
The title and author.

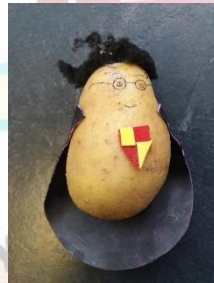

A few sentences about what the book is about, without spoiling any plots!

Write what you liked/disliked about the book.
Summarize your book – what type of reader might enjoy it? Titles of other similar books.
A score – how do you rate the book? E.g. 4 out of 5 stars.

Activity 3
