

Learning Through Discovery

# ICKBURGH SCHOOL

Issue 6 – January 2020

## Headteacher's Message

Dear all

After a Christmas holiday period which will have been challenging for all of the members of our community, it was a great disappointment not to be able to open fully in the New Year. We have done everything we can within the current constraints and challenges posed by the pandemic to provide on-site learning for as many pupils as we can, and you will hopefully have recognised the rapid expansion of our 'Learning at Home' offer. We hope this will be a positive legacy of this time; a treasure trove of virtual resources that our families will be able to draw on during weekends and holidays to keep the learning and fun going. Please see below for more information about our YouTube channel.

Thank you for your continued trust and support,  
Joe Sieber, Headteacher

## Dates for the Diary

### Spring Half-term

Monday 15th February to  
Friday 19th February

## School Messages

### Technology support

If you and your son/daughter are having any difficulty with technology whilst Learning at Home, please don't hesitate to contact school so we can discuss how we can support.

### Free School Meals

If your son/daughter is not currently attending school but is eligible for Free School Meals, you should be receiving vouchers from the school. Please

## YouTube Channel and interactive timetables

Our YouTube Channel now has over 130 videos covering all areas of the curriculum, including Literacy, Numeracy, PE and Music. We are delighted to see that it is being used so frequently, with over 27,000 views. Just search 'Ickburgh YouTube channel' on Google or find it through the 'Learning at Home' section on our school website.
