Issue 8 – May 2021

Headteacher's Message

Dear all

I hope this newsletter finds you and your loved ones well.

We are delighted to have had an uninterrupted half-term with our wonderful pupils, and to rebuild communities large and small within school, as classes and departments have come back together. The joy as pupils reestablish their friendships has been tangible. We remain cautious and vigilant in our approaches and risk assessment, but we are looking forward to the final half-term with hope and optimism.

We have plans for the expansion and redevelopment of our school facilities over the summer holidays and look forward to sharing these plans with you soon.

Wishing you a happy and peaceful half-term break. All best wishes

Joe Sieber
