

4th November 2019

**Admissions Consultation on proposed changes to The Two Counties Trust
Admission Arrangements for the 2021-2022 school year.**

Period of Consultation: Monday 4th November 2019 to Friday 20th December 2019

As part of Two Counties Trust, from Monday 4th November until Friday 20th December 2019 the below schools/academies will be consulting on proposed changes to 2021-2022 admission arrangements. All schools/academies must have admission arrangements that clearly set out how children will be admitted, including information about what happens if there are more applications than places available (oversubscription criteria). The criteria must be reasonable, clear, objective, and procedurally fair and comply with all relevant legislation, including equalities legislation. It is for the admissions authority (The Two Counties Trust) to decide which criteria are most suitable for the school/academy according to local circumstances.

The Proposed Changes:

1. All schools/academies in The Two Counties Trust (TTCT) are going out to consultation on standardising their admission policy but not changing criteria arrangements as set out, For example, most of the text and definitions used in the admission policy across The Two Counties Trust will be identical (i.e. no other changes to their admission arrangements from last year). However each school/academy will continue to have its own individual oversubscription.
2. **Frederick Gent School** proposes to reduce their Published Admission Number from 203 to 180. It is the intention to reduce the PAN to bring it into line with the local context of prior admission numbers to the school and projected primary school numbers going forward.
3. **Manor Academy** proposes to change the criteria for prioritising admissions

Current criteria for prioritising admissions:

- Looked after children or children who have previously been looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.
- Children who live in the catchment area at the closing date for applications and who, at the time of admission, will have a brother or sister attending the school.
- Other children who live in the catchment area at the closing date for applications.
