

The Grove Cashless School Statement

Apart from small donation collections and in exceptional circumstances, we do not collect cash or cheque payments at The Grove. Being a cashless school enables the school to collect parent payments safely and securely, helping to reduce costs and streamline payment collection administration.

Agora shall be used to pay for school lunches, residential and curriculum trips, clubs, Pit Stop and uniform.

Secure online payments using your credit or debit card with Agora

Agora offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, using a Microsoft user name and password. The school will provide the unique reference code to enable you to activate your account. If you have more than one child at our school, or a child at another school that uses Agora, you can create a single account login for all your children.

Making a payment is straightforward and Agora holds a payment history for you to view at a later date, also sending you a confirmation email when any payments are made; no card details are stored in any part of the system. Once you've activated your account you can make online payments straight away.

Your support in using Agora helps the school enormously, thank you.
