

Week 7- Home Learning Menu- EYFS

Our theme this week is...

Pond Life!

Starters

Being Imaginative: Listen to your favourite story and choose your favourite character. Become that character and act out their part in the story!

Science: Explore the life cycle of a frog. What are the stages of a frogs life? Can you create your own lifecycle of a frog?

Make your own 3D frog appear in your home!

Art: *Draw with Jim Field!*- follow the steps on the website to draw the frog from 'Oi Frog!' Add colour to your drawing- what colours would be good for a frog?

Main Course

English:

Write a list of all the animals you would like to have in your own pond.

Choose one of the animals- write a set of instructions on how to care for the animal.

Don't forget to draw a picture of your animal!

Maths: Count how many steps it takes you to get from one side of the room to the other. Which room takes the most steps?

2D shape hunt! Count how many of the following shapes you can find in your house: Squares, Rectangles, Triangles.

DT: *Make Playdough*—follow the instructions on BBC good food and make your own.

If you have any green food colouring add some and make a frog!
What adventures could your frog get up to?

Computing: Google images of different ponds. What animals can you see around the ponds? Can you name any of them?

Dessert

Speaking and Listening:

Talk to your Grandparents or Great Grandparents about how they celebrated VE day.

Moving and Handling:

Use blankets, building blocks or anything around your house to build your own pond.

Can you navigate around the outside of the pond? Be careful- don't fall in the water!
