

# Week 9– Home Learning Menu– EYFS

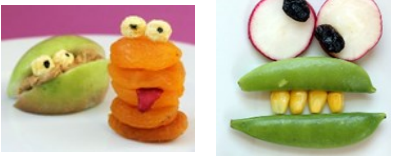

Our theme this week is...

## All About Food!

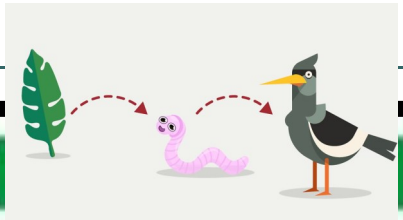

### Starters

**Being Imaginative:** Make a Tiny Food Monster! Here are some ideas

**Science 1: Where does your food come from to start with?** Does it come from a plant or an animal? Take a look in your kitchen cupboards and in the fridge... Can you sort out 2 groups of food?

**Science 2: Food chains!** Think about what one of animals in your garden might eat and make a labelled food chain.

### Main Course

**Literacy: Listen to this story**  
What did you like/dislike? Did anything surprise you? Could you design your own disgusting sandwich?  
Write a little letter to your teacher.  
Tell us what you've been up to... Have you been for a nice walk? Did you make something with lego?

**Maths: Cooking or baking!**  
Ask your grownup if they can help you do some cooking or baking—maybe you could make chocolate crispy cakes?  
Can you read the numbers on the recipe?  
How many spoons of different ingredients do you need? How long will they take to make?

**DT: Make your own sandwich!** Ask your grownup to help you make a sandwich. It can be sensible or funny!  
Can you carefully cut or spread something on your sandwich?

**Geography: Where in the world does your food come from?** With a grownup, have a look on the labels of your food. See if you can label a map showing where your food has come from. There is a map attached to this learning map that you could use.  
Do you notice any patterns?

### Dessert

**Health and Self-Care 1:** Design and label your own healthy lunch. Perhaps you could even make it and send a picture to your teacher!

**Health and Self-Care 2:** Keep a track of all the colours you eat this week. Can you eat all of the colours?

### Support Websites

**White Rose Maths:** Weekly EYFS specific Home Learning packs for parents, complete with daily activities, instructions for parents and videos.

**Oxford Owl**— for free eBooks that link to your child's book band. You can create a [free account](#). Complete the linked Play activities for each book.

**Letters and Sounds** Daily phonics video lessons from Letters and Sounds. Click on Reception Lessons

**Authorfy**— for free author videos and writing resources! You can create a [free account](#).
