

# Week 4– Home Learning Menu– EYFS

## Our theme this week is...

# Where We Live!

### Starters

**DT:** Junk model your dream home! Use old packaging or materials from the recycling to make a model of your house. You could decorate it with scraps of material e.g fabric or wool. Don't forget to include a house number on the front!

**Geography:** Make a map of your home. Can you name all of the rooms? Maybe an adult could hide an object in a room and mark where it is on your map. Can you use your map to find the hidden object? Label each room using your phonic knowledge.

**Art:** Create a furniture collage. Using old magazines and catalogues cut and stick or sort objects into the room they would belong to. Support your child to use the correct scissor grip using this [guide](#).

### Main Course

**English:** Can you find any books about where people live? Miss Rattray loves 'Sharing a Shell' by Julia Donaldson.

Miss Holland loves 'There was an old woman who lived in a shoe' by Kate Toms. Read the story of Hansel and Gretel (or watch on youtube). What makes the house appealing to the children?

Can you design your dream house and label what would be inside each room?

**Maths:** Try some of the White Rose daily maths activities.

Practice counting up to and back from 20. This can be done through playing Hide and Seek, singing number songs and playing board games like Snakes and Ladders.

Create a card game that is based around finding pairs of numbers to 20 that can be then be played with others at home.

**Computing:** Find your house on Google Maps. Use Google Maps to look at your house from above and on street view. Use the arrows to move up and down the road around your area.

**Science:** Explore the textures around your house. Can you find something rough, smooth, bumpy. You could take a wax rubbing of each texture (Lay a piece of paper over the top and rub over with the side of a crayon). You could continue this into the garden.

### Dessert

**Speaking and Listening:** Sing some nursery rhymes and songs together. You could add in actions or change the words.

Can you think of different rhyming words to add in?

Find an A-Z of [Nursery Rhymes here](#).

**Moving and Handling:** Have a disco! Put your favourite song on and dance around the room (or outside) to it. Can you teach a grown up some moves?

### Support Websites

[White Rose Maths](#)- Weekly EYFS specific Home Learning packs for parents, complete with daily activities, instructions for parents and videos.

[Oxford Owl](#)— for free eBooks that link to your child's book band. You can create a [free account](#). Complete the linked Play activities for each book.

[Twinkl](#)- to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.
