

Staff

Mrs Knee is the class teacher.

Mrs Jeffries supports the class in the mornings and covers Mrs Knee's planning time on a Tuesday afternoon.

Reading

Please continue to read as often as possible with your child. We suggest a minimum of 3 times a week. Please note that I very rarely hear children read their reading books. However, I hear most children read most days through our 'taught read' sessions.

Times tables

These are coming along really well, but children need to keep practising them at home. By the end of this half term we will have covered all times tables to 12 x 12

Homework

Homework usually comes home on a Wednesday night and is to be returned on a Monday morning. This should be independent work where possible, should not be a battle and shouldn't take hours! There are usually a number of ways to approach each homework task to suit your family's time commitments.

Spellings

Most children are practising their spellings which come home on a Thursday for a test the following week however, many children report that they are not learning their year 3 / 4 spellings at home. Please request another list if yours has gone missing. Alternatively they are on the school website.

P.E.

P.E. Will be on Monday and Wednesday afternoons. Children will need to have long hair tied back and preferably earrings out. Children **do** need outdoor PE shoes this half term.

Robins Class

Information for Parents

Spring 2

Welcome Back. This half term is all about writing in different genres and using our maths to cover a range of other topics.

I hope you will find this information useful. Please do come and see me if you have any questions about your child's learning.

Our presentation is really improving. We are still working on handwriting and setting out our work clearly in maths but we are getting there.

We still have some way to go to be able to consistently punctuate our work correctly so I am being really picky with the children about this.

Robins have worked hard at being independent and I know that lots of parents have supported their children in this – thank you.

Now we are focusing on our behaviour outside of the classroom, thinking about how we treat each other and the kinds of words and language that we use.

We are learning to put it right when we fall out with our friends.
