MEETING INDIVIDUAL NEEDS... TO THE BEST OF OUR ABILITY

9<sup>th</sup> September 2021

Dear Parents,

As part of our Recovery Catch Up Funding that the school has received from the government, we will be extending the school day to 4pm on **Mondays and Tuesdays** for **Years 5 and 6**. For the rest of the week, school will finish at 3.30pm as usual.

With the additional time that the children are in school, teachers will be focusing on maths and identifying the gaps with the aim of improving the children's fluency. This intervention will start on Monday 13<sup>th</sup> September and will be in place for a term.

You will be able to collect your child from their classroom as you would normally but at 4pm on a Monday and Tuesday. We appreciate that you may have younger children to collect at 3.30pm and there will be some time that you have to wait to collect your child in Year 5 or 6. You may wish to take your younger child off site and return at 4pm or you can wait in the playground with your younger child. Please ensure that your child is supervised if you choose to wait on the playground.

We would like to thank you for your continued support.

Yours sincerely,

Miss Sutton & Mrs Bains
