

## Weekly spelling lists - Year 2

As part of the Key Stage 1 curriculum there are a bank of 'tricky' words which the children need to learn to spell accurately in their writing. These are words which are used very often in our writing or words which use an unfamiliar spelling pattern.

Each week, the children need to learn to spell the words listed below. They will also explore these words in class maybe writing them in silly sentences, playing spelling games or working with a partner to write out the words as many times as possible without making a mistake.

Please help your child to learn to spell the words listed below each week, this will really support them in school with their written work.
