

Summer Holiday Home Learning Pack Year 4: We know you have been working hard at home the past few months, so make sure you have a good break! Here are a few learning ideas for the summer holidays for you to try if you want to.

<p>READ! Make sure you keep reading over the summer but enjoy your favourite books, magazines and websites. Check out this website for loads of reviews and recommendations: https://toppsta.com/</p>	<p>Get moving with some P.E- join in with Joe Wicks live P.E classes online. There are loads of videos you can watch again and join in any time of day. https://www.youtube.com/user/thebodycoach1/videos</p>	<p>The National Oak Academy have lessons for all subjects so pick and choose any you fancy learning about here: https://www.thenational.academy/online-classroom/schedule/#schedule</p>	<p>Use some old recycling (milk bottles/ cardboard cereal boxes, cardboard tubes) to get creative and build your own rocket or spaceship! Plan out your design, build it and then decorate it with whatever materials you have at home.</p>
<p>Get outdoors and go on a nature hunt. Collect leaves, flowers, sticks, etc and create your own art collage out of the natural materials you have found.</p>	<p>Have a look at the BBC Bitesize website: https://www.bbc.co.uk/bitesize/levels/zbr9wmn Choose a subject to explore, you could practice your maths skills, research a historical event or even learn some French or German!</p>	<p>Have a look at the below website for loads of science ideas to try out from making magnetic slime to sand volcanoes! https://thestemlaboratory.com/stem-activities-for-kids/</p>	<p>Make your own playdough to then create your own 'clay sculptures'. You will need:130g of plain flour/145g of salt/235ml of cold water/Food colouring Instructions: Pour the flour and salt into a bowl, and mix. Stir in the water and a food colouring, mixing until a smooth dough forms. You can add a bit more water or flour if necessary to get the right consistency. Take the dough out of the bowl, and put it onto a floured surface. Continue kneading for until the dough becomes soft and easy to shape.</p>
<p>Ask an adult to register you with Oxford Owl. You should then be able to download free books to read on your laptop or computer. https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</p>	<p>Why not ask an adult to try some baking at home? You could find a new recipe to try online- the following website might give you some yummy ideas. https://www.bbcgoodfood.com/recipes/collection/kids-baking</p>	<p>Take a look at the National Geographic Kids Animal website. https://kids.nationalgeographic.com/animals/ Why not research facts about your favourite animal or choose a new animal to learn all about? Why not teach what you have learnt to someone at home.</p>	<p>Mathletics – your child should have a Mathletics login which they can use to access maths material and maths games. https://login.mathletics.com/</p>
<p>Have a go at some coding projects. Visit https://projects.raspberrypi.org/en/codeclub/scratch-module-3 To learn how to program your own interactive stories, games and animations.</p>	<p>Visit https://www.topmarks.co.uk/maths-games/7-11-years/times-tables To practice your times tables by playing lots of fun games.</p>	<p>Have a look at doodle time on Youtube and follow the step by steps videos to learn to draw loads of cool new things! https://www.youtube.com/watch?v=QBaxbhGfIVo</p>	<p>All families now have access to Real P.E at home. The website address is: home.jasmineactive.com Parent email: parent@stbarnabas-2.com Password: stbarnabas</p>
