

Summer Home Learning – Year 2

This pack contains some activities and links for you to have a go at over the summer holidays.

We hope you have a wonderful summer and we look forward to seeing you in September.

Being a Mathematician

<https://login.mathletics.com/>

Keep up Mathletics over the summer to revise your skills in Maths.

<https://www.topmarks.co.uk/maths-games/>
<https://www.ictgames.com/mobilePage/index.html>

Maths games to try.

Practise your 2, 5 and 10 times tables. Can you also find the division fact to match? For example, $3 \times 5 = 15$ $15 \div 5 = 3$

Practise your addition subtraction facts to and within 20. For example, $3 + 7 = 10$, $18 + 2 = 20$, $15 + 3 = 18$.

Being an Author

<https://www.oxfordowl.co.uk/>

Log on to oxford owl and set yourself up an account to access plenty of new reads for the summer!

<https://www.phonicsbloom.com/>

Phonics games to try.

<https://www.ictgames.com/mobilePage/literacy.html>

English games to try.

Read your books regularly over the summer. Try reading them to a member of your family and on your own. What do you like about the books you are reading?

Try keeping a diary over the summer holidays, where you write down some of the things you have done. You could even type it instead of writing it down.

Being an Athlete

Visit this website: home.jasmineactive.com
All families now have access to Real P.E at home.

Parent email: parent@stbarnabas-2.com
Password: stbarnabas

Go for a walk with your family.

Spend some time running or playing in the park.

Being a Chef

Take part in some cooking with your family. What could you make? Maybe you could visit this website for some ideas.

<https://www.bbcgoodfood.com/recipes/collection/kids-baking>

Can you write out the recipe for what you have made?

Being a Scientist

Can you find some seeds to plant? What could you grow?

Maybe you could keep a seed diary to show how your plant changes each day. You could even try measuring it and writing the answers down to see how much taller it becomes.

Can you draw your plant at different stages of growth?

Being an Artist

What drawings can you create?

Choose some different things in your home and try to draw them. You will need to really look at the items and think about shape and size.

Can you add colour to your drawings?

Being an Engineer

Use your laptop to practise typing. Can you type your name? Can you type a sentence? How fast can you type?

If you want to have a go at coding, visit this website:

<https://projects.raspberrypi.org/en/codeclub/scratch-module-3>

Being a Musician

Spend time listening to your favourite songs. Can you sing along?

Visit this website to take part in different musical activities:

<https://www.bbc.co.uk/teach/ks1-music/zbcjsw>

Being You

Make sure you take some time this summer to relax and to do the things you enjoy.

We can't wait to see you in September!
