## Year 5 100<sup>th</sup> Birthday Banner

A group of Year 5 children created a birthday banner for one of the community who was celebrating a very special 100<sup>th</sup> birthday. They spent their lunchtimes creating it together and even hand delivered it and sung happy birthday. Have a look on the echo website for the article and video of their singing!!

### Year 3 Road Safety

Year 3 have spent time in the community participating in a Road Safety workshop in partnership with Sunderland Local Authority. They spent time thinking about the all important Green Cross Code and identified dangers on our roads. They then put into practise their knowledge, looking for safe places to cross the road. They are all road safety experts and got a certificate to prove it!

**Pupils from year 5 had a great time at the football festival at Hetton School. The team played four games in total. They won two of their games and came third place out of five teams! Well done everyone!**

**In Eco Warriors After School Club we have been litter picking around our school grounds.**

**We found a lot of plastic litter, that does not rot away. Please help us by not dropping your rubbish and keep our school clean. Watch out for our anti - litter posters around the school.**

**Reminder that we now offer Online payments for all school expenses. Visit [:sunderland.gov.uk](http://sunderland.gov.uk) and follow the simple instructions.**
