May Edition – Issue 003

YEAR 5 TRIP

Year 5 visited the National Glass Centre. They took part in a science workshop on, 'Changing States.' They watched a mesmerizing glass blowing demonstration and created their own glass fusion artwork. We had a lovely day and they were a credit to the school.

Bug Hotel

As part of our new topic 'Minibeasts' we invited the children's parents into Nursery to help us build a Bug Hotel. The children were asked to bring items such as wood, bricks, sticks, leaves etc. into school. We all worked together to build a special place where all the bugs in the school grounds could live together. After working so hard on the Bug Hotel we all enjoyed some juice and biscuits. We had lots of fun and look how amazing it is...

Attendance

Since September, our whole school attendance is 94.9%. This is below our expected 96%. We hope to beat this next half term!

Thank you for your continued support!

Year 6 SATs week

Year 6 successfully completed their SATs week last week. They all performed so well and we are so proud of each and every one of them. WELL DONE!!

Year 2 SATs

Year 2 have also completed their SATs test and we are so proud of them. It can feel very overwhelming when they're so young but they absolutely smashed it!

WELL DONE YEAR 2

Online Payments Now Available

For a quicker and more convenient way to pay dinner money, after school club, uniform, trips and all other payments to school, we now offer online payments. Please visit sunderland.gov.uk, select **PAY** and follow the simple instructions.
