

# Hetton and Surrounding Areas Mining Statue

Children of Eppleton and surrounding Schools were lucky enough to fill and bury a Time Capsule at the foot of the Statue.

Each year group worked together to create something for the Capsule, which will be opened in 50 years time, in 2069!

We were lucky to be invited along to the reveal of the Mining Statue in Hetton.

As well as the Time Capsule, our Year 5 pupils and our Choir were invited to sing at the event.

The children sang beautifully along with our neighbouring schools. It was a lovely day.

The Statue is a proud moment for Hetton and we feel proud and privileged to have been part of the event.

Thank you to all families and children for coming along.

Year 6 recently visited Eden Camp, where we experienced the sights, sounds and smells of life during WWII, all set in the buildings and grounds of an original Prisoner of War Camp! One of our favourite activities was the Blitz hideout/hut, which was a small dark building with sirens and screams playing in the background (we weren't scared!). Our other favourite activities included: the Prisoner of War hut, the newspaper room (a room filled with 1939-1945 newspapers), the Uniform Room, which was filled with old-fashioned medals and uniforms, a model WW2 rifle and huge tank and, last but not least, the 2-hour bus ride home!
