Dear Parents/ Carers,

As we begin the final term of a very successful year, I would like to thank you all for the continued support you have offered our school. There have been many changes taking place and I hope you will agree that these are helping to support your children to be happy, healthy and progress well in their education. I would like to say well done to all pupils who have embraced all the changes we have put in place and are taking an active role in their own learning.

For some of our pupils this will be their final half term with us at Eppleton. I would like to share how impressive the whole of Year 6 was throughout SATS week. We could not have asked any more from them in terms of effort, attitude and the way they looked after themselves and supported each other. They really were a credit to their families, and we are very proud of them all.

It has been a busy year and as you can see from the diary dates below, this will continue right up until the day we break up. Please look out for some key dates we like to invite you to join us, such as sports day and celebration assemblies.

As always, if you have anything you would like to discuss regarding your child, please speak to a member of staff or myself.

Many thanks,

Mrs K Bushby

Headteacher
